

Dear Parent or Guardian,

Dental Safari Company, a mobile dental corporation, travels to school to provide dental wellness checkups, and urgent care treatment, for children of all ages (pre-k thru 12th).

Dental Safari will be coming to RCMS during the week of March 25, 2019.

Dental Safari company is a fully licensed, professional company that believes dental wellness begins with a 3-part approach: Education, Treatment, and Prevention. Children receive a visual exam (no x-rays) by a licensed dentist, a cleaning, Fluoride treatment, and sealants as needed.

All children are eligible:

Children with Medicaid / All Kids (need ID #)

Children on Free or Reduced Lunch

Children with Private Insurance (need this info.)

Children with Cash Payment (cash or check; \$75 reduced fee with signed waiver)

If your child is in K, 2nd, or 6th grade, the State of Illinois does require a dental exam to be on file. This appointment fulfills that obligation.

Following your child's treatment, a letter will be sent home indicating the treatment your child received during our visit as well as follow-up treatment he/she may need.

To take part in this service, please register online with the following link <https://goo.gl/5qdQNh>. This link can also be found on the RCMS Facebook page. Paper consent forms will also be available in the RCMS office. Please register online or have a form turned into the school nurse by Monday, March 25, 2019.

If you have further questions, please contact Christy Berger at #618-395-4372, ext.1.

Sincerely,

Christy Berger BSN, RN, PEL-CSN
RCCU#1 Nurse
